### Contract for Deposits

I agree to pay a deposit of \$500 for the \_\_\_\_\_ puppy, in the \_\_\_\_\_ litter, agreed upon by myself and Cedarrose Kennels. This is a non-refundable deposit. It is transferable to another puppy in the same litter or a puppy in the next available litter, if approved by Cedarrose Kennels.

I understand that it is my responsibility to make a final decision as to which puppy I want during my scheduled appointment time, which will be scheduled between the 5 and 6-week mark. My appointment will be scheduled at the convenience of Cedarrose and in accordance with the order in which I have placed my deposit. (If I am the first pick family, I should expect my appointment the day of the 5 week mark, family 2 would be the next day, etc.) If I cannot decide which puppy I want during my scheduled appointment time, I will choose after the family behind me and so on, as to not hold up the adoption process.

I understand that if I am picking up my puppy in person, the remaining balance is due when he/she is 8 weeks old. I also understand that only cash (no checks) are accepted at time of pickup.

If the puppy is to be shipped, I understand that payment in full is due when the puppy reaches the 6 week mark and no later. I understand that my final payment may be in the form of a direct wire transfer, credit card or personal check **if approved by the breeder**. I understand that there is an additional charge to pay with a credit card, charged by Square, Inc.

I understand that my puppy will not be held past the 8 week mark, unless arrangements have been approved by Cedarrose and that it is my responsibility to confirm a pickup date with Cedarrose, as early as possible. If I do not pick up my puppy by the date arranged with Cedarrose, I am aware that my deposit will be forfeited and the puppy will become available for adoption.

Thank you for your understanding of our conditions.
